## **Preparing Your Product for Shipping**

If you have any questions, do not hesitate to call us. All of our employees are trained to answer questions or transfer your call to best resolve your inquiry.

Remove any lanyards or accessories attached to your knife. *For safety reasons, we do not perform work on knives with lanyards. They will be removed by us if we receive them.*

Unless the problem is with the knife and/or sheath, please do not send the sheath or original product box.

When packaging your knife, please be sure to secure it using packaging materials such as cardboard, bubble wrap, etc. Pay special attention to secure the tip of the knife.

If you would like us to refurbish or re-sharpen the product (Spa Treatment), please enclose shipping and handling fees.
